

Bona Sport[®]

Oil-Modified Finishes

Tough, durable coatings for timber sport floors

Bona[®]

Partnering NBA Champions

Bona is the official floor care partner for 2024 NBA champions the Boston Celtics and is an integral part of professional basketball, with Bona Sport System products used throughout the NBA, USA Collegiate leagues and European basketball competitions.

Oil-Modified Finishes

Bona Sport® oil-modified finishes provide timber sports floors and multi-purpose gymnasiums with tough, durable protection and performance.

5 gallons (18.9 litres)

Bona Sport® Poly

Bona Sport® Poly is a high solids premium quality, oil-modified polyurethane developed specifically for the high performance demands of timber sports floors. Bona Sport® Poly provides an extremely tough, high build gloss finish with excellent chemical resistance, protecting against perspiration and routine cleaning.

- Oil-Modified Polyurethane
- High gloss sheen level
- Light amber colour enhances natural timber colour
- Adheres to most solvent-based and water-based finishes after correct preparation
- MFMA approved
- Drying time 12-16 hrs

5 gallons (18.9 litres)

Bona Sport® Seal

Bona Sport® Seal oil-modified polyurethane sports floor sealer is for use over newly sanded sports floors and multi-purpose gymnasiums. Bona Sport® Seal seals the timber and provides a build layer prior to the application of Bona Sport® Poly.

- Oil-Modified Polyurethane
- For use over newly sanded sports floors
- No thinning required under normal application conditions
- Formulated for use with Sport® Poly
- MFMA approved
- Drying time 8-12 hrs

MFMA Approved

Bona Sport® Poly and Bona Sport® Seal comply with the Maple Floor Manufacturers Association's published specifications for gymnasium sealers and finishes. These specifications include a range of performance standards including friction, adhesion, drying time, hardness and resistance to perspiration, abrasion and black heel marks.
