

Bona Microfiber Deep Clean Pad

The Bona Microfiber Deep Clean Pad contains the unique patented PowerLoop® technology to gently break apart and loosen the toughest dirt build-up. The dual-zone cleaning action includes dark blue outer fibres for breaking up grime, while the light blue inner fibres trap and absorb dirt with more absorbency than with our previous pad. Use the Bona Microfiber Deep Clean Pad with the Bona Wood Floor Deep Cleaner for the ultimate in cleaning performance.

- Patented PowerLoop® technology provides extra scrubbing action for stuck-on grime
- Patented dual-zone microfibre for a better clean
- Sustainable design is reusable up to 500 times
- Fits all Bona Mops

Hard-Surface Floors

Bona®

Bona®

Bona Deep Cleaner is perfect for stubborn stains, or for a thorough deep-clean, powered by active hydrogen peroxide.

The unique oxygenated formula loosens tough, heavy build-up, and penetrates for a deep clean while its bubbling action lifts away dirt, debris and stains. Water-based solutions and GREENGUARD GOLD certification ensure a safe product for your family, your pets - and our planet. For the best results, use it with the Bona Microfiber Deep Clean Pad.
