

Oil & Decking Systems

A Range of Possibilities to Protect
and Style Floors and Decks

Bona[®]

Bona Oil & Decking Systems provide tough, long lasting protection for internal floors and external decking.

Bona Oil & Decking Systems incorporate Craft Oil 2K and Hard Wax Oil for interior timber floors, as well as Decking Oil and Deck Guard for exterior decking. In addition Bona provide preparation, cleaning and maintenance products for ongoing care. Whatever the environment, the Bona oil & decking range is all you need for beautiful floors and decks with unique character and lasting protection.

Over Coatable with Traffic Finishes

Available in 1.25 Lt can

Bona Craft Oil 2K

Two-component natural penetrating oil

Performance, versatility and design – get the charming look and feel of an oiled floor, plus the protection of a finish.

Bona Craft Oil 2K can be used on its own as a quick drying, high-performance oil or be combined with all Bona Traffic Finishes for additional protection. The unique formula is made from modified plant-based oil and has a very low solvent content.

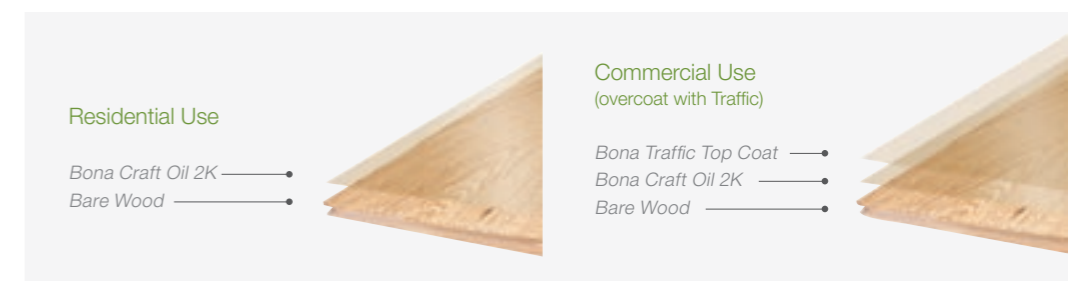

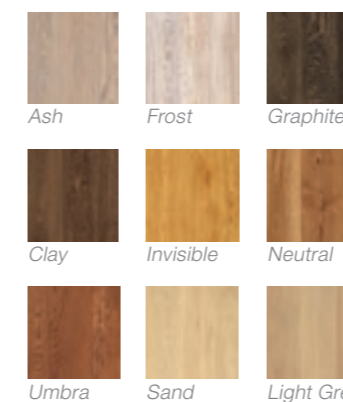

Bona Craft Oil 2K is quick, easy to apply and penetrates deep into the timber to resist water and stains. Available in nine colours (including Neutral) which can be inter-mixed to create the exact shade desired.

Key Benefits

- Fast curing, light use 8-12 hours
- Very low solvent content
- Uniquely long open time and pot life
- Extremely high degree of penetration
- Overcoat with all Bona Traffic Finishes for extra protection

Product base	Low VOC vegetable oil based
Drying time	Neutral – 8 hrs Coloured – 12 hrs (under normal indoor conditions 20°C / 60% RH)
Colours	Ash, Frost, Graphite, Clay, Invisible, Neutral, Umbra, Sand and Light Grey

Bona Hard Wax Oil

Natural oil, modified for protection of timber floors

Made from modified vegetable oils, this safe, low odour coating provides a hard wearing, stain resistant surface that is easy to spot repair and maintain.

Bona Hard Wax Oil delivers excellent resistance to wear, scuff marks and moisture. It produces the warm look of an oiled floor while establishing a stain resistant surface that is spot-repairable and easy to maintain.

Bona Hard Wax Oil is a Canola based natural oil, low in odour and free from hazardous agents. It is easy to handle and applicable with a roller or brush. It leaves an open, breathing surface that reduces the risk of edge-bonding. Highly suitable for floors with underfloor heating.

Key Benefits

- Tough and dirt resistant
- Excellent water resistance
- Rapid drying, fast working process
- Free from hazardous agents such as cobalt and ketoximes
- Apply base coat of Bona Craft Oil 2K to improve curing conditions
- High coverage rate; 20 - 24 m²/Lt

Product base	Low VOC vegetable oil and wax based
Sheen level (60°)	Silk Matt: 25 Matt: 10
Drying time	6 - 8 hrs between coats Light use: 16 hrs
Application tools	Brush / short-haired roller
Coverage rate	Approx 20 - 24 m ² /Lt
Size	2.5 Lt

Available in 2.5 Lt can, Neutral only

Bona Decking Oil

Easy to apply, long lasting protection for outdoor decks

Rapid drying and easy to apply, Bona Decking Oil is a modified vegetable based oil for superior impregnation and long-lasting protection of timber decking and other exterior wood surfaces. It enhances the natural wood grain while protecting against moisture ingress.

The formula contains a very low amount of solvents. Applied in 1-2 even thin coats, the surface is then buffed lightly to remove excess product and enhance the protection properties.

Key Benefits

- Long lasting protection against the weather
- Easy application
- Reduces wood cracking and warping
- Fast drying time
- Contains UV protection

Product base	Low VOC vegetable oil based
Colour	Neutral
Drying time	30 - 60 mins between coats Light use: 24 hrs
Application tools	Wide brush / roller
Coverage rate	20m ² /Lt depending on wood type
Size	2.5 Lt

After

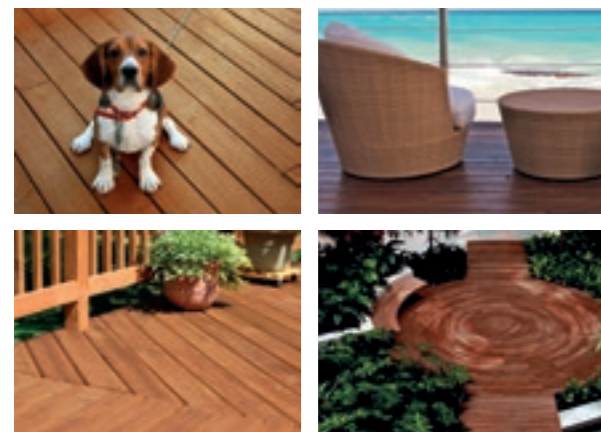

Bona Deck Guard

Fast, convenient protection for outdoor decks

Easy to apply, fast drying water-based coating specifically designed for outdoor decks.

Bona Deck Guard is a fast and convenient solution which keeps a timber deck in great condition.

Bona Deck Guard is an easy to use water-based coating for outdoor wood and composite wood structures. Simply clean to remove contaminants from the surface, then apply 1-2 coats of Bona Deck Guard with an applicator or brush. Clean up afterwards with water.

Key Benefits

- Contains UV protection
- Fast Drying, easy to apply, low odour
- High performance in any climate
- Suitable for solid wood or composite decking

Product base	Water-based, low VOC
Colour	Neutral & Medium Brown
Drying time	3-4 hours between coat Light use: 24 hrs
Application tools	Applicator / brush
Coverage rate	6-12 m ² /Lt depending on wood type
Size	3.8 Lt

Available in 3.8 Lt tub

Available in Neutral & Medium Brown

Cleaning & Maintenance

Bona cleaner for oiled floors maintains and protects

It's important to look after your Bona oiled floor in the right way. Typical household cleaners have high pH values which can be detrimental to oiled floors. Using Bona's specially formulated cleaner designed for use with Bona Oil finishes ensures ongoing protection of the floor and increases its lifespan. Bona's Cleaner for Oiled Floors is non-toxic and carries the highest Greenguard GOLD certification.

Available in 1 Lt Spray Bottle,
2.5 Lt Refill & .85 Lt Mop Cartridge

Bona Cleaner for Oiled Floors

Bona Cleaner for Oiled Floors is specifically designed for use with Bona Oil finishes. Tough on dirt but gentle on the floor, Bona Cleaner for Oiled Floors cleans and nourishes the surface for increased protection.

The 1 litre trigger spray is ideal for spot stain removal and cleaning, whilst the .85 litre cartridge fits into the Bona spray mop for cleaning rooms and larger areas. The 2.5 litre refill pack can be used to top up either the mop cartridge or trigger spray bottle.

Key Benefits

- Cleaner Specifically designed for Oiled Floors
- Tough on dirt, gentle on the floor
- Fully biodegradable, non-toxic
- Nourishes the surface for increased protection
- Certified Greenguard GOLD

Greenguard GOLD Certified

Bona Cleaner for Oiled Floors is Greenguard GOLD certified. Greenguard GOLD Certification has strict testing criteria allowing no greater than 1/100 total VOC emissions from a product. This ensures complete safety for allergy prone or sensitive individuals (such as children and the elderly), ensuring that the product is acceptable for use in environments such as schools and healthcare facilities. Greenguard is recognised worldwide for product safety certifications.

Bona, the non-toxic, sustainable choice.
